

Using Flag Templates - Illustrator

1. Open the appropriate template that matches your order.
2. There will be 3 layers, the top layer and bottom layer named `TEMPLATE-DON T ERASE` should be left alone.
3. Only design on the layer named `ART-WORK HERE` . Any additional layers should be under the `TEMPLATE-DON T ERASE` layer.
4. Save the file as a PDF
5. Submit the artwork through your order status for that order.
